

Ancient Egyptians Pyramids of Giza

Directions: You will use the NOVA website at <http://www.pbs.org/wgbh/nova/pyramid/explore/> to gather information for a brochure or poster for one of the pyramids of Giza. You will be assigned one structure from this list: The Great Pyramid, Khafre's pyramid, Menkaure's pyramid, or The Sphinx.

Day One Task: Look for information for the following facts and take notes on this sheet. Due date: _____

1. Inside Story link

a. Dates this structure was built: _____

b. Three important measurements:

i. _____

ii. _____

iii. _____

c. One other interesting fact: _____

2. Excavation link – Find one interesting quote that is relevant to this structure from the archeologist, Mark Lehrer.

3. Cross Section link – On the back of this sheet, sketch a view of the important details of this structure.

Day Two Task: Design a brochure or poster for your assigned structure of Giza. Paper will be provided in class and you will need to bring your art supplies to class tomorrow. All of the project must be created by hand.

Only research information comes from the computer. Due date: _____
